NASDA Work for the National Association of State Departments of Agriculture
Farmers require reliable information on production, supplies, marketing, prices, weather and a vast array of other inputs. Up-to-date information is essential in planning and administration of federal and state programs. Become part of the team that collects this data across North Dakota. Work includes interviewing farmers in person or over the phone and conducting crop counts in the field.

- Regular training is provided
- Part time flexible schedule
- Paid hourly plus mileage, starting out at the \$15 per hour federal minimum
- Work in your local area
- Great for building experience in the agriculture sector
- Also a great second income or for those semi-retired
