In the spring of 2022, eight northwestern North Dakota newspapers agreed to participate in a pilot launch of Kid Scoop News. They wanted to engage younger readers after learning of the drop in reading proficiency in North Dakota. While some of that loss can be attributed to COVID-19 school disruptions, the decline was well underway even before 2020.

Did you know:

- That two-thirds of all U.S. students read below grade level?
- That half of all adults are not proficient at reading?
- That the average rate of student reading proficiency in North Dakota is 42 percent?

Kid Scoop News®

THE MORE KIDS READ, THE MORE THEY SUCCEEDED!

Support Kid Scoop News Now!

We need an **informed citizenry** to be able to read and understand proposals by state legislators, evaluate which candidates to vote for and make informed choices on measures that could change citizen rights. We also need an **educated workforce** for the future.

Kid Scoop News ND regularly features pages that delve into the difference between facts and opinion, anonymous vs. named sources, the 5 Ws of good reporting and also **builds on general education** subjects.

Kid Scoop News **makes reading fun** and covers subjects kids are interested in -- from animals to sports, science and how to draw, money matters and legends, to name just a few.

Kid Scoop News is **designed by educators** to tie into the standards North Dakota is already teaching to, so it's easy to plug into existing curriculum. Sending this material home with students is like giving them a book a month and we're able to do that for a full year for a cost of under \$10 per student per year.

After the initial pilot, Kid Scoop News ND expanded in January 2023 to 30,000 issues per month -- **95 percent of all schools** in western North Dakota. Teachers love it! Students love it!

Kid Scoop News ND is **100 percent donor funded**, so we need the support of individuals, organizations and businesses to keep this program going. You can make an investment today to ensure we have an educated citizenry in the future and an educated labor pool to fill future jobs.

A donation of **\$250 will sponsor an entire classroom** for a whole year, and all donations at that level or higher receive recognition in every edition of Kid Scoop News.

Your tax deductible gift may be sent to:
NDNA Education Foundation/KSNND
